

Kinship Care Connects

Between now and late September, Kinship Care is offering 1-2 hour virtual training sessions via Zoom for local community members. Sessions may be led by local counselors, teachers, librarians, officers, IT professionals, youth leaders, and more.

For more information on attending or hosting a virtual event, please contact Kenan Tyner-Smith at ksmith@sscsb.org or 434-572-6916 Ext. 1550.

Possible topics:

- Self-care
- Online Learning
- Fun Recipes
- Managing Stress
- Mindfulness
- Meditation
- And More...

What is Kinship Care?

We are a grass-roots care group made of individuals who are raising their grandchildren or the children of other kin due to unforeseen circumstances. Once a month, we meet to share resources, plan events, and show support for each other. We welcome all local citizens to join us and share their knowledge.

How to be a Mindful Caregiver
